

What's in your house?

II Kings 1-7

This widow woman cried because her husband died. She had no insurance and she was left with a lot of debt. The Bill Collector was harassing her. They threatened to enslave her sons to pay off her debt. This widow woman was hurting and frustrated at the same time. Elisha asked her, "What do you have in your house?" "I have nothing except a small pot of oil." Elisha said, "Go and ask all of your neighbors for empty jars. Don't borrow a few of them but borrow a lot, as many as you can get. Once you get all of the jars I want you to go inside your house and shut the door behind you and your sons. Then take your small pot of oil and put it into all those empty vessels. Fill every jar you borrowed then put it to the side."

The widow woman's sons went and got as many jars borrowed as possible. The widow woman took all the jars into her house and she shut the door behind them. She got her small pot of oil and she began pouring oil into every last one of those empty vessels. All the jars were filled. Once the last jar was filled the oil stopped flowing. The widow woman then left to get Elisha. She told Elisha that she had finished filling all of the jars and Elisha told her to go and sell the oil. To go and pay off her debt and for her and her two sons to live off the rest for the rest of their lives.

What a miraculous blessing . She was in debt and now she was dead free. What's in your house? It's enough! It's enough for our God. She's living the abundant life. The widow woman is now living her best life. What's in your house? It's enough! What you have can cause you to live in the overflow. God can do the miraculous. He can take your little and multiply it. If God can take Five Loaves and two fishes and feed over 5000 people, what more can he do? He's God and he can do the impossible. God can and he will supply all of your needs according to His riches and glory in Christ Jesus. What's in your house? You think it's nothing but it's enough for our God. This widow woman was grieving and devastated. She was in a bad situation. Yet God required her to do something in the midst of the storm. He made her do something about her situation. First she had to humble herself by borrowing from her neighbors, she had to follow Elisha's instructions, then she got her miracle. Humble yourself under the mighty hand of God for his instruction and you'll be blessed. What did God tell you to do? Do it !!! What do you have in your house? Use it and let God multiply it!!! Your little in God's hand - it's enough.
