

Hezekiah's life Extended

II Kings 20:1-11

Summary: Understanding that God can lengthen your life

Hezekiah had an illness that he was sick unto death. He was dying. Isaiah told Hezekiah to get his house in order because he was dying. When Hezekiah got this bad news he prayed unto God. He wept sore before the lord. The Lord heard Hezekiah's prayer and he extended Hezekiah's life. God sent Isaiah back unto Hezekiah saying "The Lord heard your prayers and he has seen your tears. The Lord has added 15yrs unto your life. The Lord is going to heal you." Hezekiah asked Isaiah for a sign that God was going to heal him. He wanted confirmation. God gave Hezekiah a sign, and he was healed with 15 years added onto his life.
