

Project C: What is my purpose?

Date: _____

Directions:

Answer any one of the four questions listed below by searching the scriptures in the bible to find the answer concerning you. Then write at least four statements concerning you. These statements should be only according to the scriptures found. If you need further direction please reference the project example. If you want to submit your project to be featured on our "Input from Others" page submit your project by mailing it to our address or email to fourwindministry@yahoo.com for consideration.

- 1.) Do you know your purpose? Yes or No. Explain
- 2.) What do you love doing for God?
- 3.) What are your talents and gifts?
- 4.) What instruction did God give you concerning the Kingdom of God?

Project Example:

Yes, I know my purpose. The only reason why I know my purpose is because God told me to be a witness for Christ. When I surrender whole heartily unto God I became a witness for Christ. I witness with my mouth and my life. As a witness for Christ we must spread the good news everywhere and tell everyone who we come in contact with about God and His goodness.

The main purpose of me being a witness for Christ is to bear fruit. I had to bear fruit for God. All witnesses for Christ are to bear fruit.

In Loving Memory of Freddie Goodrich Sr. (A witness who died in God)
