

Press

A pressing requires quick and immediate action. You've got to move quickly into your position. Matthew 11:12 says, "The Kingdom of Heaven suffereth violence and the violent takes it by force." Luke 16:16 says, "The law and the prophets were until John: since that time the kingdom of God is preached, and every man presseth into it."

We're living in a time where it's necessary to press. You must press in order to exert force. We're pressing for lost souls. God Saves souls, but we save lives. We are lifeguards. We must press because people are drowning in their sins. Our job is to pull them out.

Will you press?

To help preserve, restore, edify, strengthen, and save someone's life?

Press because it's not about you. It's about saving someone else.
