

The Soup Story

Let me introduce you to two kinds of powerful soups. One is called (Worldly Soup) and the other is called (Spiritual Soup). One is good & healthy for you and the other is bad for you.

The Worldly Soup is bad for you. If you partake of it, you will be filled with lies. You will hear things that will make you feel good but in the end, it won't do you any good. (There's a way which seems right unto man but the end is destruction). The maker of this Worldly Soup hates you. He only comes to kill, steal and destroy. His desire is to destroy your good name and to mentally & physically kill you.

The ingredients that are used to make up this Worldly Soup are mischievousness, lying, smooth-talking, deceit, selfishness, and self-willed. The cost of this soup is very high. (The wages of sin is death) if you eat of it, you will surely die. That's the Worldly Soup.

But as for the SPIRITUAL SOUP, it is good for you. If you partake of it, you will be filled with truth. (He that hunger and thirst after righteousness shall be filled). You will hear things that will cause a great change in you. The maker of this Spiritual Soup loves you. He made it just for you. If you eat it every day, you will receive life and that more abundantly.

The ingredients that are used to make this Spiritual Soup are love, compassion, gentleness, sweetness, honesty, sincerity, joy, unselfishness, power, kindness, and truth. This Spiritual Soup is also FREE/No Charge. If you eat it every day, you will learn to live God's way. God is love and the gift of God is eternal life.

Both of these soups are powerful because one causes death and the other gives life. Which soup will you choose? Better yet, which price are you willing to pay? The wages of sin is death - worldly soup, or the gift of God which is eternal life - spiritual soup. Which soup do you choose? Roman 10:9 says, "if you shall confess with your mouth the Lord Jesus, and shalt believe in your heart that God hath raised Jesus from the dead, then you shall be saved."
