

Faith

It's one thing to say you believe God but it's another to believe and move in faith. Proverbs 3:5 says "Trust in the Lord with all thy heart and lean not unto your own understanding. In all thy ways acknowledge Him and He shall direct thy path."

The enemy doesn't want you to see the light in your struggle. In your dark place there is light at the end of the tunnel. The enemy doesn't want you to exercise your faith in this dark place.

The enemy sees your faith so he brings doubt. He knows that doubt won't change anything about your situation. But Faith moves mountains, Faith moves God, and Faith pleases God. Faith will overturn the plans of the enemy.

No matter how dark your situation is - you have to look to the light. God is the light and he's in the midst of your dark place. There is light at the end of your situation, look ahead, put your trust in God, and exercise your faith.
